Outstanding School Series: Culture of Confidence

What makes a school outstanding Academic thoroughness, long hours, community spirit and mutual respect are just some of the factors that make College Drive Christian School great. Over the next few weeks, we'll be sharing several ways that set CDCS apart. This week it's our Culture of Confidence, next week it's, Expectations of Excellence.

Culture of Confidence: CDCS creates a "culture of confidence" by understanding different learning styles and directing lessons in a way that each student can relate to and excel. This creates a positive experience of collaboration, respect, and support.

If you are curious to learn more about how our outstanding school encourages this practice, contact Shelly Guerrero / sguerrero@collegedrivechristianschool.com / (601) 933-0990.
